

# MEET GOOGLE CHROMEBOOKS

## **Affordable**

Chromebooks and Android tablets were made to lower your total cost of ownership. Devices start at \$256.00.

## **Easy to manage**

You can set them up in minutes and centrally manage 10 or 10,000 devices across your school, district, or region.

## **Perfect for sharing**

Students can share a single device but still have a personal experience just by signing in.
